New Heparin Nomogram DVT/PE TREATMENT:

Situation:
- A new Heparin Nomogram will be available beginning February 8\textsuperscript{th} for the TREATMENT of DVT/PE

Background:
- The Medication Management Committee reviewed the current treatment of DVT/PE as well as current chest guidelines.

Assessment:
- It was proposed to:
  - Change the Heparin Neuro Nomogram title to “Heparin Nomogram-No Bolus”
  - Add Heparin Nomogram-DVT/PE Treatment
  - Keep the Heparin Nomogram- Cardiac

Recommendations:
- See attached screen shots of the order set.
- Be aware of this new Heparin Nomogram and utilize for DVT/PE TREATMENT beginning February 8\textsuperscript{th}. This is intended for DVT/PE TREATMENT, NOT to be used for prophylaxis.
- Contact Pharmacy with questions at 319-398-6060.
