Announcing Mercy’s New Ear, Nose & Throat Clinic

Mercy’s Ear, Nose & Throat Clinic provides a full range of medical and surgical services for pediatric and adult patients with disorders and diseases of the head and neck, including allergy testing and treatment, as well as audiology services. The clinic is located at Mercy’s new 901 Medical Office building located at 901 8th Avenue SE, across the street from Mercy Medical Center.

Meet Our New ENT Physicians

Aaron Benson, MD
Otolaryngologist and Neurotologist
Dr. Aaron Benson is a board-certified otolaryngologist with fellowship training in neurotology (all ear-related issues including hearing loss, balance disorders, cochlear implants, ear infection and tubes). He completed his residency at the University of Illinois, Chicago, IL, in otolaryngology/head and neck surgery and fellowship training at the University of Minnesota–Fairview Riverside, Minneapolis, MN, in otology and neurotology. Dr. Benson is the only neurotologist in the Cedar Rapids area.

Shane Gailushas, MD
Otolaryngologist
Fellowship-trained in facial plastic and rhinoplasty surgery.
