It is not part of the Genesis web page, so you cannot be in GenNet, HealthStream, and cannot be accessed in any of the common search engines such as Google, Yahoo, etc.) Call Jody Johnston-Mohr at (563) 421-1284 or send an email to johnstonmohr@genesishealth.com if you have questions.

INTENDED AUDIENCE
Physicians, Nurses, Nurse Practitioners, Physician Assistants, Social Workers, Clergy, EMT, Paramedics, Police, PT/PTA, OT/COTA, RTRs, RTs, and other allied health professionals that treat trauma patients.

PURPOSE
The conference will educate emergency medical service professionals on the essential components involved in a variety of scenarios.

CME CREDITS
Genesis Medical Center is accredited by the Iowa Medical Society to provide continuing education for physicians.

Genesis Medical Center designates this Live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CEU CREDITS
IA NURSING: 8.1 contact hours will be awarded by the Iowa Board of Nursing Provider #59, Genesis Medical Center, Davenport, Iowa.

IL NURSING: May use the IA certificate for relicensure.

IA All others: May be eligible for up to 8.1 contact hours. Consult your governing rules to determine if appropriate subject matter criteria will apply to credit hours. Because this program has been approved by the Iowa Medical Society for CME credit, it may be used for 6.75 hours toward only recertification requirements for ANCC continuing education renewal.

IL PT/PTA & OT/COTA: 8.1 contact hours by Genesis Medical Center - Silvis Campus, Silvis, IL.

IL Respiratory Therapy: 8.1 contact hour by Genesis Medical Center – Silvis Campus, Silvis IL.

CEH: EMT credits applied for.

RTR: CEH applied for from the A.S.R.T.

IL Social Workers: 6.75 contact hours from Black Hawk College. Bring a check for $15 made out to “Black Hawk College”.

ACKNOWLEDGEMENTS
Genesis Medical Center would like to acknowledge and thank Genesis Medical Center, Davenport and Silvis Campus, HCR-Manor Care, Comprehensive Prosthetic & Orthotics, and OKA-B Shoes for providing support.
LEARNING OBJECTIVES

• Discuss how running towards chaos actually makes chaos more manageable
• Identify why humans are genetically predisposed to be selfless and how to incorporate that into everyday life
• Describe how internal chaos can paralyze us from achieving our full potential
• Discuss the history of active shooters in the healthcare setting
• Identify the unique security issues in the healthcare setting
• Identify techniques to survive an active shooter event
• Define triage and mass casualty
• Discuss the dynamics of Start Triage
• Demonstrate knowledge in the Start Triage method in a variety of scenarios
• Describe the mechanism of traumatic amputations
• Discuss surgical techniques of amputation surgery
• Explain post amputation healing and complications
• Identify the differences between civilian and military injuries
• Discuss how to implement the Reap Project
• Describe how to assess and manage concussion and post concussive systems
• Outline the immediate management which includes standard ATLS guidelines of establishment of a stable airway, breathing, control of hemorrhage/circulatory support, and evaluation of cervical spine
• Discuss subacute treatment including evaluation and management of fractures
• Describe long term sequel/complications
• Discuss various trauma sequel case presentations
• Describe the rationale for the development of a statewide trauma system
• Outline the components of the Iowa Trauma System
• Critique the regulatory oversight of the Iowa Trauma System
